Comments & Discription:

This boat was loved and used pretty hard by the owner, but he decided he wanted to move up and purchased a new unit. Boat is in fair to good condition, and will have new cushions. The tubes have some light discoloration, to be somewhat expected with a white fabric. The 430 was the 1st Walker Bay Generation model to be produced and has been replaced with the 450 (slightly larger unit)

Current Retail for the Generation 450 is \$30,000

Retail price of the unit is \$29,000
